Full Description

Occupying a substantial corner position on Chatsworth, this four-bedroom detached home offers an exceptionally spacious and versatile layout, with generous accommodation across both floors and an expansive double garage. The ground floor provides a large living room, separate dining room, kitchen, utility and WC, while the first floor offers four bedrooms, a family bathroom and an en-suite to Bedroom One. With its distinctive frontage, extensive garage space and well-proportioned rooms, the property offers plenty of scope for a purchaser to personalise the home to their own tastes.

THE FORE

The property enjoys a prominent corner setting with an attractive and distinctive brick-built exterior, complemented by traditional leaded-style windows and a substantial frontage. A lawned area wraps around the property, while the broad driveway provides convenient off-road parking and leads directly to the impressive double garage.

The double garage is a particularly notable feature, offering an excellent amount of secure parking and storage space. Its generous proportions also provide considerable versatility for vehicles, hobbies, equipment or general household storage, while retaining direct access into the main accommodation.

GROUND FLOOR

An entrance hallway provides access to the principal ground-floor rooms, including a particularly generous living room extending through much of the depth of the property. The room benefits from windows to multiple aspects and offers ample space for a variety of furniture arrangements. The kitchen provides a good amount of workspace and storage and sits alongside a separate utility room, helping to keep everyday household tasks away from the main living

areas. A ground-floor WC adds further practicality, while internal access to the expansive double garage is another valuable feature of the layout.

Bedroom Two also benefits from built-in wardrobe storage, with Bedrooms Three and Four completing the sleeping accommodation.
