Pyrford Lock, Wisley, GU23

Description:

A rare opportunity to acquire this charming 45ft residential houseboat with a licence from the National Trust on land they own at Pyrford Lock, one of the most picturesque stretches of the River Wey. Offering a truly unique lifestyle, this floating home combines the tranquillity of waterside living with excellent access to local amenities and transport links.

Originally constructed as a static barge in the 1970s and converted into a residential houseboat during the 1980s, The Ark has been moored predominantly at Pyrford Lock ever since. The accommodation is both characterful and practical, centred around a spacious open-plan living, dining and kitchen area, complemented by a separate shower room and WC and excellent storage throughout. The current layout offers the potential to create a second bedroom, subject to individual requirements.

The vessel has been well maintained and significantly improved, most notably with the installation of a completely new steel hull in 2019. For additional peace of mind, an out-of-water survey is scheduled to be undertaken during the summer of 2026. A roof terrace provides a wonderful vantage point from which to enjoy the surrounding riverside scenery, while a privately owned storage shed adjacent to the mooring offers valuable additional space.

Designed for comfortable off-grid living, the houseboat benefits from a generator-fed 240V electrical system, 12V batteries, inverter and solar array. Heating is provided by a multi-fuel stove with back boiler serving radiators, alongside an Alde LPG-fired central heating and hot water system. There is a new fridge that can run on 240v electricity or LPG gas which is currently connected to LPG gas. The current owner has maintained the plumbing, electrical and heating systems through regular servicing.

The mooring enjoys the benefit of secure private parking and immediate access to delightful riverside walks, Wisley Golf Club and the nearby Anchor pub. West Byfleet station is approximately two miles away, providing direct rail services into London Waterloo, whilst the A3 and M25 are both easily accessible for road commuters.

With favourable ongoing costs, including mooring fees of approximately £245 per month (including mooring, mains water, Elsan disposal and parking), this is an exceptional opportunity to embrace a peaceful waterside lifestyle in a highly accessible Surrey location. Early viewing is highly recommended.
