

24 Ridd Way

Wingerworth • Chesterfield • S42 6UX

£385,000

An extended and well-presented three-bedroom detached bungalow offered with no onward chain in Wingerworth, enjoying stunning open field views stretching up towards Ashover. Perfect for couples, downsizers and buyers seeking single-storey living, the property is ideally placed for access to the Peak District, Chesterfield town centre, local pubs and scenic walks. The property is accessed via an entrance porch with both front and rear entry points, leading into a spacious L-shaped lounge, dining and sitting area. The dining space flows into a well-maintained shaker-style kitchen, offering a mix of fitted and freestanding appliance space and benefitting from great views across the hillside. From the kitchen, a hallway leads to the rest of the accommodation. To the left is a store room, secondary access into the lounge, and a snug/office. This versatile area could be reconfigured in future to create an en-suite for bedroom two (subject to the relevant permissions) or retained as additional reception space. Bedroom two is a good-sized double with a large window overlooking the garden. Continuing down the hallway, the bathroom sits to the right and is currently arranged as a wet room with shower, sink, bidet and WC. There is ample space to reinstall a bath if preferred. The principal bedroom is a generous double with modern fitted wardrobes and a rear garden outlook. Bedroom three is a good-sized single that could also serve as a walk-in wardrobe, study or hobby room if all three bedrooms are not required. To the rear of the bungalow is a large, modern garden room featuring a lantern roof, bi-fold doors opening onto the garden and beautiful open views to the right. A door from the garden room provides internal access to the double garage. Externally, the property offers a large driveway to the front for off-road parking, with further access to the large garage at the side — ideal for storage, a workshop or secure parking. The rear garden includes a concrete patio seating area, a decked space perfectly positioned to enjoy the changing seasons across the hillside, and a fully enclosed lawned garden offering excellent privacy.
