Summary

Entrance Hall

A uPVC door with a decorative double-glazed insert opens to the entrance hall, where there is a ceiling light point, hanging hooks for coat storage and a staircase rising to the first floor landing. An archway leads through to the living room.

Living Room

The living room is positioned at the front of the property and has a walk-in splayed timber bay window with double-glazing providing natural light. There is coving to the ceiling, a ceiling light point and a radiator. A set of timber and bevelled glazed doors open to the kitchen diner.

Kitchen Diner

This room is located at the rear of the property and has timber and glazed windows. The kitchen area has a range of modern high gloss wall and base cupboards, drawers, roll-edge worktops and a stainless steel sink unit with twin taps. Integrated appliances comprise an oven and hob with a canopy style filter hood. There is space for a freestanding fridge freezer, plumbing for an automatic washing machine and laminate flooring that continues into the dining area. This area has plenty of space for a table, a ceiling light point and a radiator. A sliding timber door leads through to the rear entrance.

Rear Entrance

A uPVC door with a double-glazed insert and a matching side panel provides access to the rear garden.
