This is common in the local area due to historical mining activity. Comprehensive reports and guidance are available, and we recommend buyers seek appropriate advice and surveys for reassurance. Our team can assist with further information and next steps.

By law, we are required to conduct anti-money laundering checks on all potential buyers and sellers, and we take this responsibility very seriously. In line with HMRC guidelines, our trusted partner, Coaskute, will securely manage these checks on our behalf. Once an offer is accepted (subject to contract), Coaskute will send a secure link for you to complete the biometric checks electronically. A non-refundable fee of £40 + VAT per person will apply for these checks, and Coaskute will handle the payment for this service. These anti-money laundering checks must be completed before we can send the memorandum of sale to the solicitors to confirm the sale. Please contact the office if you have any questions in relation to this.
