IF YOU LIVED HERE...

You'll be enjoying modern, contemporary fixtures and fittings throughout, with high end appliances in the spacious kitchen/lounge areas, coming in at anything up to a capacious 220 square feet. Stylish grey engineered hardwood runs underfoot, you have matching grey splashbacks, a generous suite of glossy white fitted cabinets and a full complement of integrated appliances.

Elsewhere, the bedroom is a generous double, finished to the same high standard, with plush grey carpeting, chrome fixtures and designer radiators. Bathrooms are alternately finished in gleaming white or glossy grey metro tiling, with walk-in rainfall showers. And finally of course there's your private balcony or roof terrace; wonderful outdoor spaces with onto the court yard and over the city.

St James Street station is just three minutes' walk, for direct twenty minute runs to Liverpool Street. Alternatively, Walthamstow Central is just a half mile on foot and will get you straight to Oxford Circus just as quickly via the Victoria line. Walthamstow High Street, home to the longest street market in Europe, starts right next to St James Street, for all the supermarkets, cafes and other amenities you could wish for.

WHAT ELSE?

- Crate St James, home to a rotating array of independent entrepreneurs from cafes to bakeries, breweries and barbers, is less than five minutes' walk. Be sure to try the mouth-watering offerings at Baggio Burger.
- For your new local we have to recommend a personal favourite, The Chequers is a real 'stow institution, a much loved gastropub with a delicious menu and large beer garden, all just five minutes away on foot.
- Current or prospective parents will be pleased to know you have nineteen primary/secondary schools in a one mile radius alone, all rated 'Good' or better by Ofsted. The 'Outstanding' South Grove Primary is just a two minute walk.
