PROPERTY SUMMARY

Situated on the popular Woodlands Estate in the heart of Isleworth, this beautifully presented 1930s semi-detached family home offers a wonderful blend of period charm and modern comfort, all within walking distance of Isleworth railway station and amenities.

Retaining a wealth of original character, the property features fully restored 1930s wood parquet flooring to the ground floor and charming original mosaic hallway tiles, carefully protected beneath the current carpet. Period fireplaces and architectural details further enhance the home's timeless appeal.

The ground floor offers two well-proportioned reception rooms, ideal for both family living and entertaining, alongside a separate galley kitchen. Upstairs, the property continues to impress, complemented by new carpets and fresh decoration throughout, creating a bright and move-in ready interior.

Significant recent upgrades include new double-glazed windows and doors, new guttering, fascia and soffits, and a recently installed Worcester Bosch boiler, ensuring improved energy efficiency.

Externally, the property boasts a large west-facing rear garden with the rare benefit of rear vehicular access. The mature green outlook to both the front and rear, together with nearby riverside views, creates a wonderfully tranquil setting.

Residents of the Woodlands Estate benefit from exclusive access to the WERFA private pavilion building, tennis court and children's play area — a unique community feature highly sought after locally.

Further advantages include walking distance to Isleworth Rail Station with direct links into London, convenient bus routes to Richmond, excellent local school catchments, and potential to extend and create off-street parking to the front (subject to planning permission).
