A detached three bedroom home, 5 Scotchel Green offers well-arranged accommodation, parking and a landscaped rear garden. With a practical layout that works well for everyday living, the property presents an appealing opportunity for buyers wishing to make a home their own, with scope for some cosmetic changes internally.

The ground floor opens into an entrance hall, with stairs rising to the first floor and access to a useful cloakroom. The reception room is a generous and versatile space, providing plenty of room for relaxing and entertaining. A separate dining room offers an ideal setting for family meals and get togethers, with a connection through to the kitchen. The kitchen is fitted with a range of units and work surfaces, with space for appliances and a window overlooking the garden. The arrangement creates a natural flow between the principal ground-floor rooms while retaining clearly defined areas for different activities.

Upstairs, the landing leads to three bedrooms and the family bathroom. Bedroom one is a comfortable double and benefits from its own en-suite shower room, while bedroom two is another good-sized double. Bedroom three provides a further bedroom, nursery or home working space, depending on requirements.

Outside, the property enjoys driveway parking for several vehicles, together with a single garage providing useful storage or secure parking. The rear garden has been landscaped to create an attractive and established outdoor space, with areas of lawn complemented by mature shrubs and well-stocked flower beds. These give the garden colour, interest and a degree of privacy, offering a pleasant setting in which to relax, entertain or enjoy time outdoors.

5 Scotchel Green combines detached accommodation, three bedrooms, practical reception space and useful outside amenities. Although some cosmetic improvement may be considered, the underlying layout is well planned and offers an excellent foundation for a comfortable home.
