A brick-built shed offering excellent storage. It features a lockable door, window, power points and lighting, making it ideal for a workshop, hobby space or additional storage.

Outside

The property benefits from a driveway providing off-road parking, along with a small lawn and garden area to the front that adds to its kerb appeal. The main entrance is positioned to the side of the home, where a gated pathway offers secure access through to the rear garden. The rear garden is a beautifully maintained and open outdoor space, ideal for both relaxing and entertaining. A patio area provides the perfect setting for outdoor seating, while the majority of the garden is laid to lawn and bordered by mature trees and shrubbery, creating a private and peaceful environment. A brick-built shed adds further practicality, making this outdoor space a truly valuable and attractive addition to the home.
