Description

The glazed entrance door takes you into the reception hall with an understairs storage cupboard, the ground floor toilet with W.C. and basin. You will also find on the ground floor the living room, which spans nicely the width of the property, and the kitchen comprising worksurfaces with eye-level cupboards, and cupboard and drawer under units. An inset four-ring gas hob, with an oven beneath and an inset stainless steel sink unit.

On the first floor you will find two of the three bedrooms, the second of which has a built-in wardrobe. You will also find the family bathroom comprising a panelled bath, pedestal wash hand basin, W.C. and tiling. On the second floor there is a very handy storage cupboard and access to the primary bedroom with a forward-facing window and two Velux style skylights. Outside, the rear garden is accessed from the living room, and you also have gated side access. The garden is predominantly laid to lawn with a patio area and wooden fence panelling surrounding it.
