## About this property

This superb four bedroom detached family residence occupies a highly desirable location close to Thorn Grove Primary School & Hursthead Infant & Junior School as well as the popular Cheadle Hulme High School. Occupying a large corner plot this inviting family home reveals an entrance porch which in turn leads into a spacious welcoming hallway. As you enter the hallway there is a WC neatly positioned under the stairs whilst a well proportioned living forms a superb reception room. Double sliding doors open into a more formal dining room and these spaces connect really well to allow a more open plan living arrangement but equally the reception rooms can be kept separate to suit any buyers needs. A large kitchen breakfast room provides a comfortable and functional environment for families to gather and socialise and there is ample space for day to day appliances. A conservatory provides a relaxing atmosphere and enjoys views across the rear garden which provides a private west facing aspect. To the first floor there is a magnificent gallery landing which branches out to a large master bedroom complete with a range of fitted wardrobes and a useful store cupboard. The second bedroom is equally as impressive and again provides ample storage with fitted wardrobes. The remaining two bedrooms sit on the adjacent side of the landing but provide an excellent level of space for children and guests. A family bathroom services the first floor and includes a three piece suite and a landing storage cupboard houses a Vaillant boiler which was only fitted in recent years. The loft provides ample headroom and could form magnificent storage or even cater for a loft conversion, subject to any necessary consents. The property is a wonderful family residence with ample opportunities to re-model and/or extend and this will appeal to a range of buyers. The double driveway provides ample parking and an integral garage provides an abundance of storage. The highlight of this property are the panoramic gardens which are beautifully maintained and the borders are well stocked with mature trees, flowers and shrubs, not only providing an excellent degree of privacy, but also offering a wonderful environment to socialise with family and friends.
