**IF YOU LIVED HERE...**

Once you've experienced the joy of living in such modern surroundings, there'll be no looking back...

Your open-plan kitchen and living area is bright and spacious, with engineered flooring running the length of the room. There's plenty of space to balance work, rest and play, and it's ideal for entertaining thanks to the smart kitchen with glossy units and integrated appliances.

Floor-to-ceiling balcony doors flood the space with natural light, and when the sun's out you'll want to step onto your private west-facing balcony. From the fourth floor you'll enjoy a great sense of space and privacy – plus the added benefit of energy efficiency that comes with living at height.

The bedroom is just as immaculate, finished in neutral tones with soft carpeting, while the bathroom is sleek and contemporary with quality fittings and an over-tub shower. Off the hallway, you'll also find handy extra storage.

Around ten minutes' walk north-east is Francis Road, now a well-loved

destination across London thanks to its mix of independents – from deli and wine bar Yardarm, to Phlox bookshop, Dreamhouse Records, and Korean favourite Zaxx.

Take a short stroll south-west to reach the iconic Olympic Park and, just beyond, Westfield Stratford. You're also close to East Bank – home to Sadler's Wells, the BBC, the V&A and leading universities. Closer still is Coronation Park, with its charming bandstand and landscaped maze.

**WHAT ELSE?**

- Leyton tube station is around nine minutes on foot to get you into central London via the Central Line. Or hop on a bus and be at Stratford in 15 minutes for the Elizabeth line and more.

- You won't ever be stuck for essential items thanks to the great selection of convenience stores on Leyton High Road. You've also got an Asda Superstore just eight minutes away on foot.

- Even if you're not a follower of football, it's worth checking out the nearby Leyton Orient, who encourage people of all ages to come along to the stadium to take in the sights and sounds of a game.

**A WORD FROM THE OWNER....**

"The views of the city are absolutely spectacular, especially from May to August when the sunsets just cannot be beaten. And fireworks on New Year's Eve have never been closer up here on the fourth floor, where you can see out across the London skyline and bring in the new year in a really special way. We have loved and will truly miss living here!"
