Adding further practicality for a home of this scale is a separate family shower room, comprising a shower, toilet and wash hand basin.

The property also benefits from fibre optic broadband directly to the home, providing excellent connectivity for modern family life and those working from home.

Externally, the home continues to impress with a sizeable rear garden, providing an excellent setting for outdoor entertaining, family enjoyment and relaxation, complemented perfectly by the property's green Langdon Hills surroundings.

To the rear of the garage is an additional reception room measuring 11'2 x 16'10 at its maximum dimensions, accompanied by its own W/C. This highly versatile arrangement offers enormous flexibility and could serve as a home office, games room, gym, hobby space or additional reception area depending on the requirements of the next owner.
