

24 Main Street, Smeeton Westerby, LE8 0QJ

Offers Over £650,000

Centrally situated in this sought after, and picturesque, conservation village is this substantial period home. Originally three cottages, the property is now converted and substantially extended to provide five bedrooms, two bathrooms, en-suite shower, and accommodation extending to over 2,000 sq ft.

Particular features include a delightful, private and well stocked garden extending, approx. 80' in length, to a parking area with potential for garaging, and owned solar panels providing savings of approx. £1,500 per annum.

Character properties of this sort of size and nature are rarely available in Smeeton Westerby and we would, therefore, highly recommend an early internal viewing.
