PROPERTY DESCRIPTION

Kennedys are excited to share a sneak peak into this well-proportioned and rarely available detached family home, offering flexible accommodation and potential to extend to the side of the kitchen to create an open plan kitchen diner and into the loft (subject to the usual planning permissions).

The property is entered via an enclosed porch into a hallway with a useful ground floor cloakroom. The sitting/dining room is a generous space for everyday living, with room for both seating and a dining table. To the rear, the brick-based conservatory adds an extra room that works well as a family room, home office or playroom, with views over the garden.

The kitchen is sensibly laid out with good storage and worktop space, fitted appliances and room for larger freestanding items.

Upstairs, there are three bedrooms along with a fully tiled family bathroom. The boarded loft with lighting provides practical storage.

Outside, the rear garden offers a mix of patio and lawn, giving space to sit out or for children to play. There is side access to the front of the property, off-road parking and a front lawn. A garden shed provides additional storage.
