

Holdern

A Modern Estate Agent

13 Linden Grove, Loughborough, LE12 7JW

£367,500

Having undergone recent upgrades including a newly constructed home studio and fitted solar panels, this superbly presented detached home now offers an open plan family kitchen and occupies a lovely plot with lawned gardens both front and rear. The accommodation includes an entrance hall, wc, living room with log burner, the aforementioned kitchen diner and conservatory, with stairs rising to the first floor where three double bedrooms and a generous four piece bathroom can be found. Having the practicality of off street parking, further storage beyond metal gates and a detached home studio at the rear. NO UPWARD CHAIN.

Summary

The property is entered via a front entrance door featuring an obscure glazed stained glass panel, which opens into a welcoming entrance hall. Presented with stylish wood-effect flooring, the hall provides access to the ground floor accommodation and features a staircase rising to the first floor. There is also a useful built-in storage cupboard housing the utility meters.

The ground floor cloakroom is fitted with a modern two-piece suite, comprising a low-flush WC and a corner wash basin with an attractive mosaic tiled splashback.

The living room is filled with natural light from a broad front-facing window and glazed double doors that open into the kitchen diner. This principal reception room is centred around a stylish feature fireplace with a stone surround, exposed brick recess and multi-fuel burner, creating a warm and inviting focal point.

A particular highlight of the property is the open-plan kitchen diner which spans the full width of the house. This versatile space comfortably accommodates a dining table and chairs and benefits from sliding patio doors that lead into the conservatory. The kitchen is fitted with a pleasant range of eye-level and base units and includes space for a range-style cooker with extractor above, an inset 1.5-bowl porcelain sink with mixer tap and drainer, and integrated appliances including a fridge, freezer, washing machine and dishwasher. Additional features include a concealed gas central heating boiler, a rear-facing window, recessed spotlighting, colourful tiled splashbacks and roll-edge work surfaces. The wood-effect flooring continues seamlessly from the entrance hall.

The conservatory was constructed in 2016 and is usable throughout the year thanks to its central heating. Built with UPVC frames and a brick base, it enjoys private views over the rear garden and continues the wood-effect flooring from the ground floor.

Stairs rise to the first-floor landing, which provides access to three bedrooms and the family bathroom. The landing benefits from a side-facing window and a hatch giving access to the loft space.

All bedrooms are double in size and are serviced by the family bathroom. The Family Bathroom includes a corner bath with shower attachment, a low-flush WC, a vanity wash basin with storage beneath and a corner shower enclosure with rainfall-style

shower. The bathroom also features fitted storage, recessed spotlighting, a ceiling-mounted extractor fan and an obscure glazed window to the front elevation.

Externally, the property occupies a desirable position at the head of a quiet cul-de-sac just off Halstead Road. To the front, there is a paved driveway providing off-road parking, with timber gates leading to a workshop area with power and lighting and access to a newly constructed home office. The rear garden offers generous outdoor space, featuring lawns, a paved seating area, mature trees at the far end and timber fencing to the perimeter.

The home studio has been recently constructed and is complete with attractive bi-folding doors and dome light - this space is versatile to suit the buyers needs and would make an ideal home office spot when working from home! The addition of solar panels with a 5KW battery make this an attractively A rated EPC property. There is also the added benefit of an EV charger.
