LOCATION

The Land at Waltham is located between the City of Canterbury and large town of Ashford, both are able to provide a comprehensive range of facilities and amenities, along with good transport links via road and rail. The land is set within the picturesque North Downs providing a tranquil and attractive setting in the Kent countryside. Please see the Location Plan below showing the exact location of the property in relation to the surrounding towns and villages.

DIRECTIONS

From the centre of Wye head east on Coldharbour Lane continuing for 3 miles before turning left on Waltham Road continuing onto Woods Hill. Before reaching the village, turn right onto Whiteacre Lane where the access gate into Lot 1 will be on your left after 300 metres, before a bend in the road. For Lot 2, continue up Woods Hill, and upon reaching a fork in the road, keep right taking you into Waltham village, then take the first right onto Church Lane. Continue until reaching the Church, whereby the access to Lot 2 is a track on the left of the car park.

DESCRIPTION

The Land at Waltham is situated to the east of the village of Waltham on the North Downs. The land is split into two lots, extending to 95.40 acres in total and is classified as Grade III on the agricultural land classification plan for England and Wales.

Lot 1 is mainly in an arable rotation (39.36 acres) with two areas of pasture extending (27.06 acres) which are currently grazed by sheep. The land has been farmed within an arable rotation in recent years with the most recent crop being winter wheat. Further cropping information is available on request.

Lot 2 is a single parcel of pastureland with a small woodland shaw to the north, extending to 29.98 acres. The land is currently grazed by sheep, and access is provided over a Right of Way past the church to the west.

The land is currently within a Countryside Stewardship Scheme with AB8 (flower rich margins and plots), GS7 (Restoration towards species rich grassland), GS8 (Creation of species-rich grassland), AB14 (harvested low input cereal), GS4 (Legume and herb rich swards and SW6 (Winter cover crops) being the selected options. All of the options other than GS7 and GS8 expire on the 31/12/2026 with GS7 and GS8 expiring on 31/12/2031. There is the opportunity to break the agreement before 2027 which the Vendor is inclined to take if there is no interest from a Purchaser. Copies of the Stewardship Agreement and Claim Form are available on request.

Please see the Boundary Plan opposite for the exact boundaries of the property to be sold. Offers for part will be considered.
