Crossburn Holiday Park, Edinburgh Road, Peebles EH45

8ED

Reduced for Quick Sale! The Willerby Manor – A Must-See! Discover the stunning Willerby Manor, beautifully positioned on what may be the best pitch in the park. Set on a generous corner plot overlooking the tranquil Eddleston River, this Holiday Home offers exceptional privacy and uninterrupted views in a peaceful setting. The highlight? A spacious wrap-around decking area, perfect for outdoor dining, relaxing, or simply soaking in the natural surroundings. This is an incredible opportunity - just move in and enjoy!

On first look, the Manor looks traditional. Unassuming, even. But stylish touches like graphite window frames as standard hint at the modern style you'll find inside. The modern windows and cladding are super-efficient and built to our Willerby GreEN Standard, so the Manor is energy efficient and cheap to run. Those big double sliding patio doors let lots of natural light into the lounge, and bring the beautiful views on your holiday park right into your holiday home. It's well proportioned too. Big enough that you'll not be short of space, but compact enough to fit on all but the smallest pitches. Viewing essential to fully appreciate!

Interior

The layout of the Manor might be traditional, but that doesn't mean it's lacking in space or comfort. The first thing you'll notice is the big, freestanding sofas. They're even more comfy than they look and you can move them around to make sure you're making the most of the views from your Manor. One of them folds out into a handy extra double bed, and in the 38' two bed model you'll get a comfy armchair, too. You'll find some useful built-in storage and a freestanding media unit, too.

The stylish and practical shaker kitchen makes the most of every inch of space. You get an integrated oven, microwave and fridge freezer as standard, and you can add an integrated dishwasher or washer/dryer too, if you like. There's plenty of worktop and storage space, and under-unit lighting means you'll never struggle to see what you're doing. Once you've finished cooking, there's a freestanding dining table and chairs right under one of the big windows, so you can make the most of the natural light.

The master bedroom in the Manor is the kind of thing you'd expect in a boutique hotel. There's a big, comfy bed (king-size in the two-bed models, double in the three-bed) with clever lift up storage. You'll also get a full-size wardrobe to keep all your outfits in, and lots of integrated storage space. There's also a handy vanity unit with its own mirror – perfect for preparing for a night out. The big window lets in lots of light, and you'll even get an en-suite bathroom in every model.
