A deceptively spacious three storey village home, thoughtfully extended and converted to offer versatile family living across three floors, with a stunning open-plan kitchen/dining/living space at its heart, a principal bedroom with en-suite, garage and enclosed rear garden.

Accessed via an entrance hall with staircase rising to the upper floors, with the sitting room leading off which features a central log burning stove set upon a tiled hearth beneath a timber mantel, a useful under stairs storage cupboard, and a bay window which draws in the natural light.

The feature room of the property is the expansive, modern kitchen/dining/living space, with Velux roof lights and French doors opening out into the garden beyond. The kitchen is well appointed with a comprehensive range of matching contemporary units with worktops, sink and drainer, and integrated appliances including an oven, four ring electric hob, Lamona microwave, dishwasher and fridge/freezer, and further benefits from a large larder cupboard.

To the first floor, a thoughtfully arranged landing accommodates a study area and airing cupboard, before a further staircase rises to the skilfully converted loft, now forming the second floor. Bedrooms two and three are on the first floor. Bedroom two is a great sized double overlooking the rear garden, with a fitted storage cupboard alongside ample freestanding storage space. Bedroom three is a well-proportioned double which further benefits from a fitted storage cupboard. The house bathroom is appointed with a vanity wash hand basin, low flush WC, wall mounted heated towel rail and a bath with shower over with panelled splashback surround.

The principal bedroom on the second floor offers a generous double with twin Velux roof lights, an array of fitted storage cupboards and space for freestanding furniture. To the front of the property is a driveway leading to the integral single garage with personnel access door to the back. Adjacent to the driveway is a gravelled area bordered by mature hedgerow, ideally suited as a further parking space.

To the rear is an enclosed garden offering a lovely degree of variety, with a raised patio, lawn and raised planting beds, a greenhouse and useful storage sheds are located to the end of the garden.
