Upstairs, there are three well-proportioned bedrooms, all with plenty of natural light. These work equally well as family bedrooms, guest rooms, or a home office. A modern family bathroom completes the first floor.

Outside, the garden is a real asset. There's plenty of space for children to play, for gardening, or simply for sitting outside in warmer weather. The property also benefits from a garage, private driveway and countryside views.

The current owners have carried out a number of practical improvements, including new windows and doors, an updated consumer unit, additional sockets in each bedroom, and a new LPG tank. Along with LPG central heating and double glazing, these updates make the house comfortable and ready to move into.

DESCRIPTION

This three-bedroom semi-detached cottage is in a popular village location, offering a peaceful setting while still being well placed for Telford, Newport and Market Drayton. Set on a good-sized plot with well-kept gardens, the house blends original character with practical living space and some sensible modern updates.

Inside, the house feels warm and welcoming. There are two good-sized reception rooms, both with feature fireplaces, making them comfortable spaces to relax or spend time with family and friends.
