1 BERKELEYPARKS RESIDENTIAL PARK RULES ENGLAND 2014 PARK RULES FOR HOUNDSTONE PARK

Preface In these rules: “occupier” means anyone who occupies a park home, whether under an Agreement to which the Mobile Homes Act 1983 applies or under a tenancy or any other agreement. “you” and “your” refers to the homeowner and any other occupier of a park home “we” and “our” refers to the park owner

These rules are in place to ensure acceptable standards are maintained on the park, which will be of general benefit to occupiers, and to promote and maintain community cohesion. They form part of the Agreement by which homeowners occupy the pitch in accordance with the Mobile Homes Act 1983, as amended. With one exception the rules also apply to any occupiers of park homes who rent their home. The only rule which does not apply to occupiers who rent their home is rule 30 about the colour of the exterior of the home, as someone renting their home would not be responsible for exterior maintenance.

None of these rules is to have retrospective effect. Accordingly: they are only to apply from the date on which they take effect, which is 8 th October 2014; and no occupier who is in occupation on that date will be treated as being in breach due to circumstances which were in existence on that date and which would not have been a breach of the rules in existence before that date. 2 These rules also apply (for so long as they live on the park) to the park owner and any employees, with the exception of the following rules 13, 15 and 24. The Park Owner does not accept any liability whatsoever for loss or damage to any property of the Homeowner, including the park home, their family or any visitor to the park.

Condition of the Pitch 1. For reasons of ventilation and safety you must keep the underneath of your home clear and not use it as a storage space. 2. You must not erect fences or other means of enclosure unless you have obtained our approval (which will not be unreasonably withheld or delayed). You must position the fences and any other means of enclosure so as to comply with the park’s site licence conditions and fire safety requirements and to a maximum of 1m in height. Park boundary hedges and or fences must not be interfered with and no unauthorised entrances to the park are permitted. 3. You must not have any storage receptacle on the pitch other than the shed referred to in rule 7 and any receptacle for the storage of domestic waste pending collection by the local authority. 9. You must ensure that any structure erected in the separation space between park homes is of non-combustible construction and positioned so as to comply with the park’s site licence conditions and fire safety requirements. The separation space is the space between your park home and any neighbouring home. Refuse 10. A similar requirement not to cause a nuisance applies to tenants and again this includes the behaviour of pets and animals. Rule 15 does not apply to pets owned by the park owner, park manager and their family etc. 16.
