YOUR OPPORTUNITY TO LIVE AT MEIR PARK!

A fantastic opportunity to buy a property at Meir Park which is in a really good location, has massive potential but does require some updating.

The good news is that this house does have a recently installed combi boiler, a double glazed conservatory at the back, UPVC double glazing throughout and a two car block paved driveway. The bad news is that the bathroom badly needs general updating and a new suite and the kitchen whilst useable would benefit from a refit in the foreseeable future.

This really is an opportunity for first time buyers or investors.
