Sellers Insight

Located in the Warwickshire village of Mappleborough Green, which lies a short distance north of Studley, this excellent property stands in approximately 3 acres of delightful gardens surrounded by mature trees and open countryside. Originally built in 1947 as a three bedroom home, the current owners, who have lived here since 1977, have extended and developed it into a sizeable 5 bedroom home.

"At the time we found the property we were living in a three bedroom semi-detached house and when we spotted the for sale sign we were taken with how much space the property offered and what great potential there was to develop it. We extended the house in 1982 and 1996 and have worked extensively to create beautiful gardens, these incorporate what were originally two fields. Accessed from the A435 (Birmingham Road) the house is reached via a long sweeping drive with lawns to each side, it's quite an impressive entrance. The attractive house is set back from the main road and once enveloped in the seclusion of the back garden the only sounds you really hear are those of nature. It's a wonderfully private home in a great village location, close to good amenities and road networks. It's been the perfect location for us to bring up a family and enjoy country life," say the owners.

"The house was in poor condition when we moved in and over the years we have extended and improved it, most recently updating the boiler, fully insulating the loft and installing a water filter unit."

"The gardens include several lawns and fabulous mature trees, including a walnut and apple. The gardens are currently looked after by two gardeners. It's a wonderful place to welcome and watch wildlife and enjoy all day sunshine. We particularly love a sunset gin and tonic in the rear garden Arbor."

"The house has a good mix of rooms for day to day living and entertaining and we very much enjoy the media and bar rooms, both are great for a Friday wind down! It's the most fantastic home to welcome guests into."

"The village has a primary school, three garden centres, two good pubs/restaurants and a shop, all within walking distance. A pedestrian gate gives easy access to the village."

"Living at Meadowbank has made us value having space and privacy and once the electric gates are closed it's like being in your own mini kingdom!"*
