8 HEATHER DRIVE, WHITBY- 3 bed Semi-Detached House -£235,000

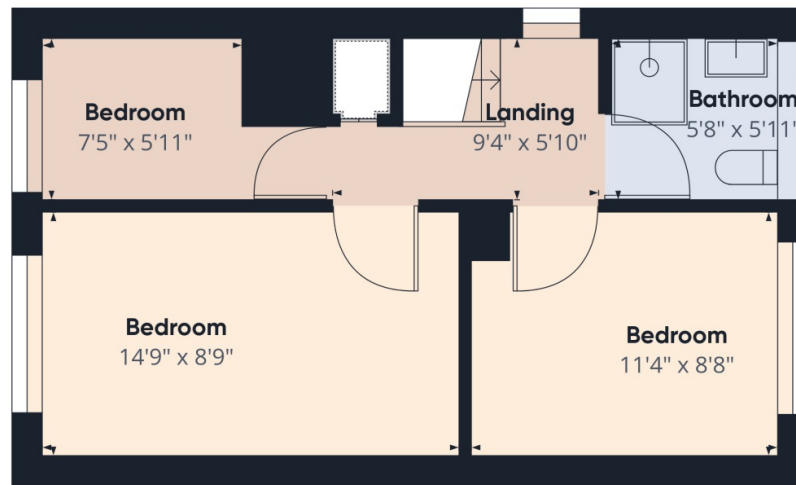

Hope & Braim are delighted to present 8 Heather Drive in Whitby to the market. This smartly presented semi-detached house has a West-Facing Garden and off-street parking located on the edge of the town and conveniently close to local amenities and schools. The property was built in the late 1970's as part of the Eskdale Road Development on the Eastern Edge of Whitby which has seen substantial development in recent years including the building of Supermarkets and local services. The house is filled with natural light with having large windows and internal glazed doors that also serve to give the downstairs a good flow and link the inside with the outside. There is a comfortable lounge and an open plan kitchen/diner downstairs with high-gloss cabinets with solid Oak Worktops and integrated appliances, plus there is understairs storage. Upstairs there are three bedrooms comprising two doubles and a single plus there is a bathroom that has a modern three-piece shower suite. The property has been well-maintained and benefits from having gas central heating and double-glazing throughout and has recently been upgraded with a new composite front door and a stone terrace in the rear garden. Outside there is off-street parking for two vehicles to the front, whilst to the rear is a West-Facing Garden that has a terrace and lawn and a timber-built garden shed. We feel this is an ideal first-time buyer home, family home or for those looking to down-size and be close to local services.
