THE ROBINS HAPPERTON LANE

EASTON-IN-GORDANO BS20 0QZ

GUIDE PRICE

£725,000

A versatile and highly attractive detached family home set within a substantial plot, offering a rare opportunity for both immediate enjoyment and significant future potential.

The property lends itself to a variety of possibilities, whether that be extending and enhancing the existing accommodation, reconfiguring the layout, or exploring the potential for a small-scale development scheme (subject to the necessary planning permissions).

Approached from Martcombe Road, you turn into Happerton Lane where the property immediately makes a strong first impression. A large gravelled driveway provides extensive parking and leads to electric gates, beyond which is a further secure parking area suitable for numerous vehicles — ideal for families, visitors, or those requiring additional storage space.

Steps rise to the side entrance porch, opening into a welcoming entrance hall featuring attractive stripped wooden floorboards and stairs rising to the first-floor landing. From here, the ground floor accommodation is both spacious and versatile, with doors leading to the principal reception rooms and bedrooms.

The kitchen/dining room truly forms the hub of the home — a sociable and well-designed space perfect for both everyday living and entertaining. It is fitted with a comprehensive range of modern wall, base and drawer units, complemented by quartz work surfaces and a Belfast sink with hose mixer tap. A central island with breakfast seating provides an informal dining area, alongside space for an American-style fridge/freezer, a five-ring gas hob, Bosch electric fan-assisted ovens, and an integrated dishwasher. The room is further enhanced by stripped wooden flooring, a wood burning stove, a window to the front aspect, and French doors opening out onto the side patio. A door from the kitchen leads through to a useful study, ideal for home working or additional flexibility. In addition, a utility room/cloakroom is accessed from this space.

Also on the ground floor is a spacious four-piece family bathroom, fitted with a jacuzzi bath, multi-jet shower enclosure, low-level WC, and twin vanity wash hand basins, as well as a generously sized principal bedroom, offering convenience for single-level living if required.

To the first floor, a bright and airy landing with a Velux window provides access to two well-proportioned double bedrooms. The rear bedroom enjoys delightful views over the garden and towards the adjoining woodland, while the front bedroom benefits from far-reaching views across the surrounding area, enhancing the sense of space and setting.

Gardens & Grounds

The gardens and grounds are undoubtedly a standout feature of the property. The rear garden is predominantly laid to lawn and enjoys a peaceful, countryside feel, backing onto woodland and offering a high degree of privacy. The side patio is both spacious and versatile, accessed directly from the kitchen, and comprises a covered walkway leading to further patio areas and an undercover seating space — ideal for outdoor dining and entertaining throughout the year. The frontage is equally impressive, offering further expanses of land before reaching the main parking area. This includes a former cow shed and additional areas of space, all of which provide considerable scope for a range of uses, including potential development or landscaping projects, subject to planning.

The immediate environment is defined by open green spaces, mature trees, and nearby woodland, creating a scenic and tranquil backdrop.
