

YEW TREE COTTAGE

BLENHEIM

A STUNNING
FAMILY HOME,
CONCIOUSLY
DESIGNED FOR
LUXURY LIVING

WHERE SEMI-RURAL LIVING MEETS CLEAN, CONTEMPORARY INTERIORS, WELCOME TO YEW TREE COTTAGE.

Nestled in a peaceful setting on a private lane in the wonderful village of Thorpe Salvin, this stone-built, four/five bed roomed residence has been carefully adapted to meet the demands of modern family living, whilst staying true to its 19th century roots.

Finished to a high standard, Yew Tree Cottage offers generously proportioned accommodation that is filled with an abundance of natural light, creating an uplifting yet calming atmosphere.

Modern technologies have been incorporated into the home, including under floor heating and a mechanical ventilation with heat recovery system throughout, ensuring a comfortable living environment.

Four reception rooms of sizeable proportions provide ample living space for a growing family. The centrepiece of the home is the orangery, a magnificent oak-framed addition that seamlessly connects multiple areas whilst offering flexibility for formal dining and relaxing. An exquisite breakfast kitchen is superbly appointed with a range of integrated Bosch appliances and a large central island accommodates space for up to six stools.

An impressive staircase with oak balustrading and a hand rail rises to a galleried landing on the first floor. The master suite offers a sanctuary for relaxation, with its exceptionally spacious bedroom, useful walk-in wardrobe and luxurious en-suite bathroom featuring a freestanding bath. Each of the three remaining bedrooms are sizeable and have en-suites, and a capacious room currently used as an office has excellent versatility for a variety of purposes, including a fifth bedroom.

To the front of Yew Tree Cottage is an extensive block paved driveway for several vehicles, which is accompanied by an array of well-stocked, planted borders, cleverly softening the landscape. To one side of the home is a beautiful, south-facing garden, and to the rear is another lawned garden with pleasant decking and a greenhouse.

Surrounded by countryside, Thorpe Salvin provides the best of both worlds: a tranquil area to reside, yet moments away from conveniences. A short walk from the home takes you to open countryside with a range of walking trails. The village has a public house called 'The Parish Oven', a church and historic ruins of a former hall. Nearby is the village of Harthill, which offers further amenities such as a bakery, fruit and vegetables shop and a public house named 'The Beehive'. A short drive takes you to Worksop, where shops, public houses, supermarkets and cafes can be found.
