quiet cul de sac and benefits from off road parking to the front for several vehicles. A front entrance porch provides a useful buffer from the outside and leads into the main living accommodation.

The lounge is positioned to the front of the property and provides a comfortable main reception area. A spindled staircase rises from here to the first floor landing, adding character to the space while maintaining an open feel. The layout flows naturally through the ground floor, creating a home that works well for both everyday living and social occasions. A useful downstairs cloakroom is also located on the

ground floor and is fitted with a two piece suite, providing convenience for both household members and visiting guests.

The kitchen runs along the side of the property and offers an impressive full length layout, giving plenty of workspace and storage. It is fitted with a range of high gloss white wall and base units which provide a modern finish while maintaining a practical design. A breakfast bar creates an informal seating area which works well for quick meals or morning coffee.
