" We've loved every minute of living in our lovely 1930s house. We've particularly enjoyed spending time in our spacious, light and airy kitchen, looking out to the beautiful magnolia when it blooms in the Spring. Having two young children, it's perfect that we are near some great schools and three excellent parks-Redcatch, Perretts and Victoria. Our neighbours are great and all look out for each other - we've made some firm friends for life! "
