IF YOU LIVED HERE...

Step inside and you'll find a thoughtfully arranged home with a calm, contemporary feel throughout. The heart of the apartment is the open plan kitchen, dining and living space, where generous glazing draws in plenty of natural light and creates a bright, welcoming setting for everyday life. The kitchen is neatly integrated into the room, with sleek cabinetry and ample worktop space, while the living area flows naturally towards the private balcony, offering a pleasant spot to sit outside and enjoy the leafy outlook.

The double bedroom is a comfortable and

well-proportioned retreat, finished in soft, neutral tones and served by a smart family bathroom featuring both a bath and separate shower. A separate utility room provides valuable practical storage and keeps laundry neatly tucked away from the main living areas.

Beyond your front door, residents can enjoy the well-kept communal garden as well as a spacious roof terrace with far-reaching views across the surrounding neighbourhood. With Hoxton moments away and Old Street Station within a short walk, you'll be perfectly placed to enjoy some of East London's most vibrant destinations while still having a peaceful home to return to.
