Front of the home

Located on a quiet street, this attractive semi-detached home has on-street parking and a path on the left to a gate to the rear garden. There is a low rendered stone wall around the front garden, with a gravel area and flower bed. A bracket for a hanging basket is affixed to the front wall. Enter the home through the uPVC part-glazed front door.

Entrance Hallway

A bright and welcoming entrance to the home, this hallway has modern laminate flooring, a radiator and high ceiling with light fitting. The current owners have cleverly created this hallway by slightly reducing the size of the adjacent dining room - and it was a great decision! There is an open entrance into the dining room and white Mexicana door with chrome handle into the sitting room.

Dining Room

11'0" x 8'10" (3.37 x 2.7)

We love the decor in this room, with the focal point being the feature brick chimney. The carpeted room has a radiator, rose ceiling light fitting, skirting boards, ceiling coving and a north facing window.

Sitting Room

12'3" x 11'11" (3.75 x 3.65)

Thanks to the current owners opening up the space through to the kitchen and on through to the garden, this is another bright and airy room. A set of double patio doors from the sitting room lead through to the garden. There is an under-stairs cupboard on the left and the room has laminate flooring, a radiator, ceiling light fitting, wall lights and a chimney suitable for display. There is a door to the stairs and an open entrance through to the kitchen.

Kitchen

21'7" x 6'6" (6.6 x 2)

The stylish modern fitted kitchen has a long breakfast bar on the right, with space for five stools below. There are full-height cabinets at each end of the breakfast bar providing good volumes of storage. Opposite is a long worktop with tiled splashbacks and, below, a range of cabinets. Above is one wall-mounted cabinet and a Baxi boiler. Within the worktop is a 1.5 stainless steel sink and drainer with chrome mixer tap and an integral four-ring electric hob and Indesit electric oven. Below is space and plumbing for a washing machine, whilst the dishwasher is included in the sale.

At the end is space for a fridge-freezer and, beyond, space for seating, storage and furniture. The room includes laminate flooring, a ceiling light fitting, radiator and double patio doors to the elevated decked area of the rear garden.

Stairs to first floor landing

Carpeted stairs from the sitting room with a handrail on the right lead up to the long landing. There is a ceiling light fitting, loft hatch and matching white panelled doors with chrome handles to the three bedrooms and bathroom.

Bedroom One

12'3" x 11'1" (3.75 x 3.4)

A large double bedroom at the front of the home, this spacious room has a tall north facing window. The room is carpeted and has a radiator, ceiling light fitting and plenty of space for a king size bed, seating and furniture.

Bedroom Two

9'4" x 5'10" (2.85 x 1.8)

Suitable as a single bedroom, nursery or home office, this room has laminate flooring, a radiator, ceiling light fitting and useful over-stairs cupboard.

Bathroom

9'4" x 5'6" (2.85 x 1.7)

The sleek modern bathroom has a large bath with wall-mounted centrally-positioned chrome mixer tap, so that you can truly stretch out and relax. Above is a corner-positioned mains-fed shower with rainforest shower head and separate hand-held attachment, tiled surround and pivoting glass screen. A ceramic sink with chrome mixer tap sits atop the vanity unit and there is a capsule ceramic WC. The room also includes a vinyl tile floor, radiator, ceiling light fitting, wall-mounted mirrored cabinet and large south facing window.

Bedroom Three

12'7" x 7'0" (3.85 x 2.15)

This double or large single bedroom is situated at the rear of the home, with wonderful views over the rear garden to open countryside. The carpeted room has a radiator and ceiling light fitting.

Rear Garden

This wonderful south facing garden has an elevated decking area immediately outside the kitchen, making it perfect for outdoor dining. From here you have views to the open countryside immediately beyond the garden.

Accessed from the side gate, sitting room and kitchen, there is a useful area by the side of the house for storage and bins. The lawn has flower beds on each side, a timber fence on the left and tall hedge on the right. Stepping stones through the lawn lead to the decked area at the end, with space for seating and outdoor dining. The substantial outbuilding provides a lot of useful additional storage.
