A rare Faringdon design on Kingley Gate, offering two reception rooms, an en-suite main bedroom, garage and a garden ready to personalise. Ideally located for Littlehampton beaches, Arundel, Goodwood and excellent road and rail links.

This particular house is a rare offering — ‘The Faringdon’ design by Barratt Homes, inspired by the character of a traditional fisherman’s cottage and one of only two of its kind on the entire estate. Its individuality, combined with excellent proportions, makes it an appealing choice for families.

The ground floor provides fantastic living space, including a generous dual-aspect living room with French doors to the rear garden, plus a separate dining room offering flexibility for entertaining, home working or family use. The modern kitchen is well laid out with ample storage and worktop space. There is also a ground floor WC and useful hallway storage.

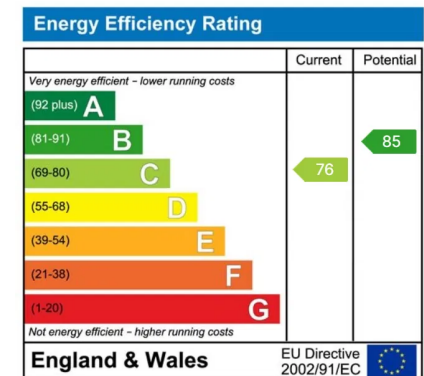

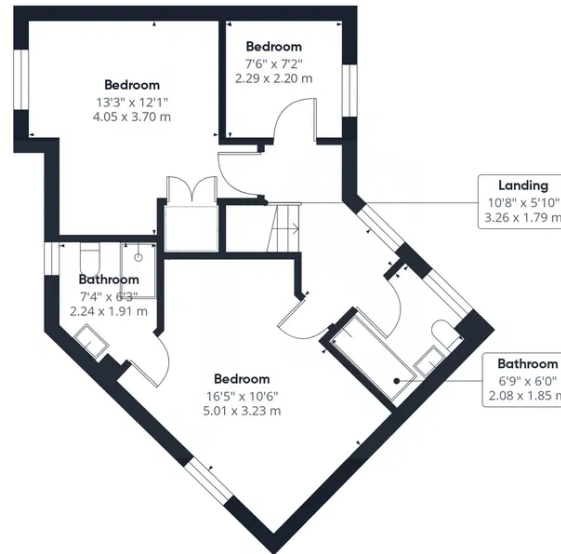

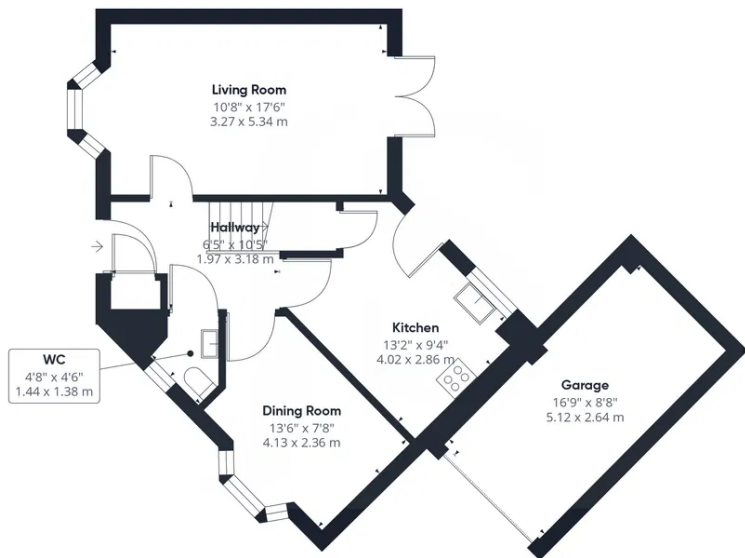

Upstairs, the property features two excellent double bedrooms, including a main bedroom with en-suite, a further single bedroom and a family bathroom. All rooms are bright and well balanced.

Outside, the rear garden is currently a blank canvas—perfect for a new owner to landscape and design to their own style. The garage and driveway add to the practicality of the home, and the frontage overlooks a green, giving a pleasant sense of space.

The wider area offers a wealth of lifestyle benefits. Just a short drive away is the historic market town of Arundel, with its boutique shops, cafés and landmark Castle. You are also within easy reach of the stunning Arundel Park and the South Downs National Park—ideal for walking, cycling and exploring the countryside. For those who enjoy events and motorsport, the world-famous Goodwood Estate is also close by.

Kingley Gate is extremely well connected, with excellent road links to Worthing, Brighton, Chichester, Arundel, the A27 and A259. Littlehampton and Angmering stations provide convenient rail routes to London Victoria, Brighton, Chichester and Gatwick Airport, making this a strong option for commuters as well as local buyers.
