PROPERTY SUMMARY

Set within the sought after Silverton area of Dumbarton, this appealing three bedroom Lower Cottage Flat offers generous, versatile accommodation, with a redesigned front garden with monoblock frontage offering clear potential for off street parking and a well tended communal drying area with a private outdoor space located to the rear. The property has also been re roofed, providing reassurance for prospective purchasers. While well cared for, the home now requires a degree of modernisation, offering an excellent opportunity to upgrade and tailor the interior to personal tastes.

The front garden has been thoughtfully re configured with attractive monoblock, creating a neat, low maintenance frontage and offering the potential for off street parking once a dropped kerb is installed. Enclosed by timber fencing with a central timber gate and bordered by mature hedging, the space provides both privacy and practicality. A side pathway leads to the private entrance door.
