1 MAINES COTTAGES

Set on the periphery of Chirnside village, 1 Maines Farm Cottages offers a rare combination; a peaceful countryside setting with far reaching panoramic views, within walking distance of the village and all local amenities.

Located to the end of this small traditional terrace the cottage benefits from surrounding garden grounds and parking space.

With good internal proportions, a modern kitchen and recently redecorated interiors, the cottage is perfectly suited as a main residence or weekend retreat. There are also easy opportunities for a purchaser to add their own stamp if desired with scope to further enhance the garden grounds also.

The ground floor is accessed via a very useful boot room/utility space – a must for life in the country. From here extends a modern kitchen which commands open countryside views, whilst the lounge to the rear enjoys a sheltered aspect whilst offering good proportions and featuring a large log burning stove to one wall. A three-piece shower room completes the lower accommodation.

From the first floor landing there are two light filled double bedrooms, one to the rear and the other to the front making the most of the views.

An area of garden extends to the side and can be accessed directly from the cottage. Fully enclosed and with good privacy the gardens offer a chance to further landscape if desired. An additional area of garden lies to the front on the far side of the private parking space; this area is currently laid to lawn and really captures the setting and views perfectly with ample room for the addition of a summer house or outside entertaining space
