SITUATION

Venwyn Manor boasts a prime location, set within approximately 6.6 acres of beautifully maintained gardens and grounds on the outskirts of St Ives and Carbis Bay.

St Ives is renowned for its charming maze of narrow streets, lined with traditional fishermen's cottages, unique boutiques, acclaimed restaurants, and vibrant art galleries. At the heart of the town lies its picturesque granite harbour, where local fishing boats bob along the piers, framed by a stunning sandy beach.

For golf enthusiasts, the breathtaking links course at Lelant overlooks the Hayle Estuary, offering panoramic views toward the iconic Godrevy Lighthouse. Additionally, a scenic branch railway conveniently connects Carbis Bay and St Ives to the main London-to-Penzance line at nearby St Erth, ensuring effortless travel with spectacular coastal vistas.

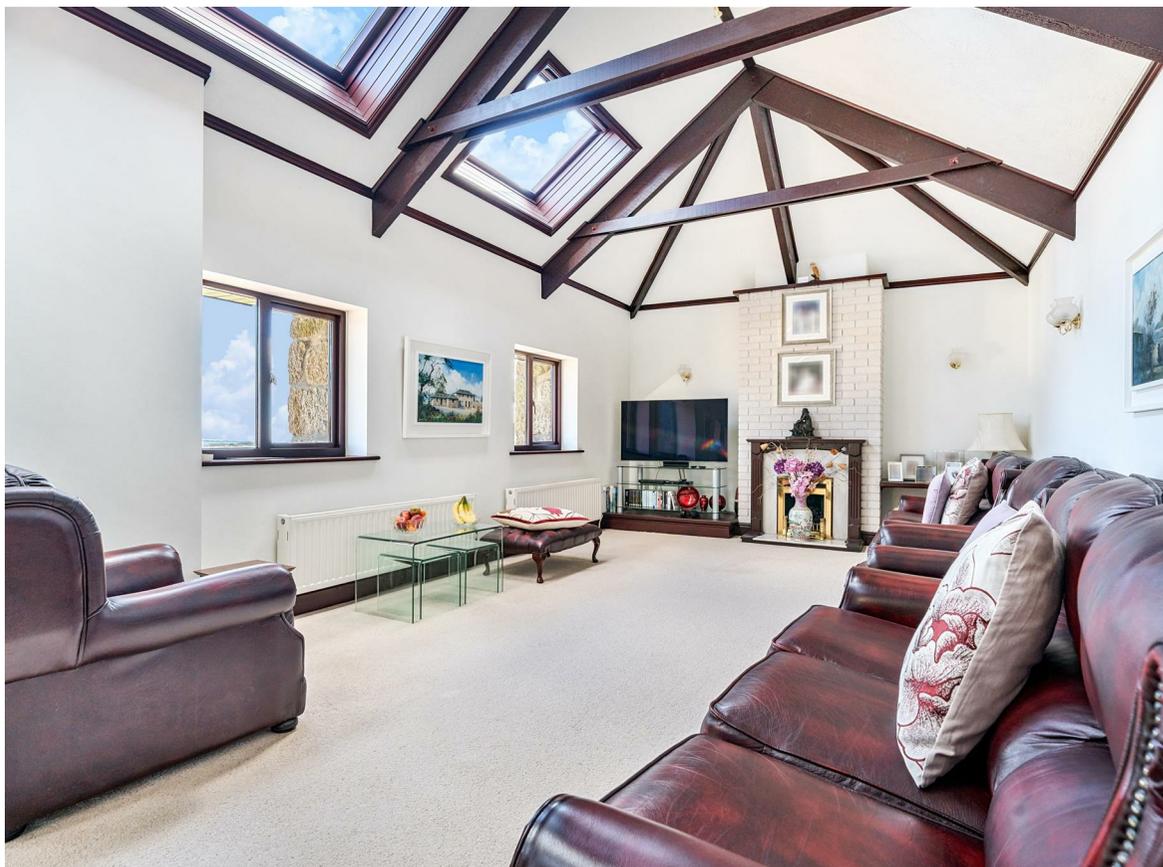

THE PROPERTY

The main house is full of character, having been thoughtfully converted by the current owners from its former use as a barn. Venwyn Manor features generously proportioned rooms with a reverse-level layout designed to make the most of the breathtaking countryside views.

The property is entered on the ground floor through a spacious hallway, leading to a large, south-facing master bedroom complete with a well-appointed en-suite bathroom and fitted wardrobes. Another south-facing double bedroom, which benefits from independent access to the front gardens, is positioned on the south elevation. Further along the hallway, you'll find a practical rear utility room with rear access, a well appointed family bathroom, and an additional bedroom, completing the ground-floor accommodation.

Stairs from the rear hallway lead up to a bright and airy living space, where vaulted ceilings and a charming fireplace create a welcoming atmosphere. This impressive room enjoys stunning, far-reaching views across the Penwith Peninsula. To the rear, a spacious kitchen with ample storage also benefits from picturesque views over the property's own fields.

VENWYN MANOR COTTAGE

In addition to the main dwelling, the property includes the charming Venwyn Manor Cottage—a spacious two-bedroom retreat that compliments the main house while offering a fully self-contained living space. Retaining the character and warmth of the primary residence, the cottage features a well-equipped kitchen, a welcoming sitting/dining room, two comfortable double bedrooms, one with an en-suite shower room and a family bathroom. Perfect for guests, extended family, or potential rental opportunities, Venwyn Manor Cottage enhances the versatility and appeal of this exceptional property.
