Brewery Square is set within the heart of Dorchester town centre and is a vibrant area offering a number of shopping and eating facilities with a central open space hosting several events throughout the year. The county town of Dorchester is steeped in history enjoying a central position along the Jurassic Coastline and also some of the county's most noted period architecture, all set amongst a beautiful rural countryside. Dorchester offers a plethora of shopping and social facilities with cinemas, museums, leisure centre and weekly market. There are many excellent restaurants, public houses and riverside walks. The catchment schools are highly regarded and very popular and doctor's, dentist surgeries and the Dorset County Hospital are close by. There are train links to London Waterloo, Bristol Temple Meads, Weymouth and other coastal towns and villages, and regular bus routes to adjoining towns.

From the moment you enter the apartment you will note the very spacious, bright, modern, stylish and sophisticated feel, with high-quality finishes and a contemporary aesthetic throughout. The welcoming entrance hall provides access to all principal rooms and benefits from useful built-in storage.

The open-plan kitchen, dining and living area is undoubtedly the centrepiece of the property. Exceptionally generous in size, this light and sociable space has been thoughtfully designed for modern living and entertaining. The sleek, contemporary kitchen features a range of fitted wall and base units, with the excellent bonus of a large storage cupboard. The kitchen is complemented by a substantial central island, with additional work surface, which creates a stylish focal point and neatly divides the kitchen from the living areas. There is plenty of room for a large dining table as well as a separate comfortable seating area, making this an ideal space for entertaining friends and family. Big, picture windows allow plenty of natural light into the dual aspect living space, with doors opening directly on to the small private balcony which has views down to Brewery Square and its surrounding restaurants.

There are two generous double bedrooms, both offering good proportions and excellent fitted storage. The principal bedroom, with contemporary fully tiled ensuite bathroom, provides a comfortable retreat, while the second bedroom would make an equally impressive guest room, home office or additional living space. The apartment benefits further from a shower room off the hallway with basin and WC, convenient for both residents and guests.

Externally, in addition to its own private balcony, there is a landscaped designed garden for the sole use of residents. There is also an allocated underground parking space, a particularly valuable feature for a town-centre apartment, and a basement storage walk-in cupboard.
