Stepping inside, the welcoming hallway provides access to the ground-floor rooms, including a convenient WC, useful storage and stairs to the first floor. The main living room is particularly striking, with deep blue walls enhanced by decorative wall panelling, creating an elegant backdrop for the vibrant blue seating. Gold-toned furniture and lighting add a touch of glamour, while the generous proportions provide plenty of space for comfortable family living and entertaining.

The kitchen continues the home's individual character, featuring a contemporary range of white fitted units complemented by contrasting work surfaces and a beautifully laid herringbone-effect floor. The bold green walls inject colour and personality, while the large window brings plenty of natural light into the space. The overall finish is practical yet far removed from a standard kitchen, reflecting the property's unique approach to interior design. A practical utility room competes the ground floor accommodation.

The first floor provides four well-proportioned bedrooms, together with the family bathroom.

The master bedroom is another example of the home's confident interior style, combining soft blush tones with a charcoal feature wall and decorative panelling. A rich teal upholstered headboard, layered textiles and carefully selected lighting create a boutique-hotel feel, while the generous floor space allows for a comfortable and relaxing retreat. This room also benefits from its own en suite shower room, providing a convenient private facility and complementing the stylish finish found throughout the home.

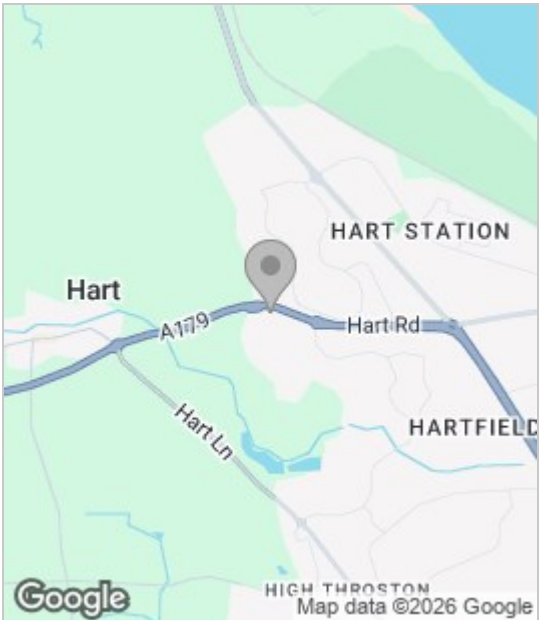

Bedroom two is currently presented as a beautiful nursery, with a calm and neutral scheme, white furniture, soft furnishings and charming cloud-detail wall decoration. The result is a wonderfully peaceful space, whilst its proportions and neutral styling also offer excellent flexibility for future owners.

The family bathroom is a real statement, finished almost entirely in dramatic green marble-effect tiling with striking natural-style veining. A white suite incorporates a bath with over head shower wash basin and WC, creating a bold and distinctive finish.

Bedroom three is a bright and welcoming double bedroom, decorated in a warm, contemporary peach tone that gives the room a soft and relaxing feel while bedroom four is currently utilised as a fantastic walk-in dressing room, making excellent use of the available space.

Externally, the property benefits from a south-facing rear garden, providing a fantastic outdoor space for enjoying the sunshine, entertaining or relaxing during the warmer months. The garden is laid mainly to lawn with paved seating and pathways, while a garage and driveway to the rear provides valuable secure storage and parking. Situated within the popular Hartwell Park development, this is a home that offers the combination of contemporary family living, generous accommodation and a truly unique interior.
