The Property

The property is connected to all mains services and boasts UPVC double glazing and gas central heating throughout, with a super modern living space that has been thoughtfully extended and modernised in recent years by the current owners. This is a rare opportunity to acquire a home in the heart of the old village centre, set away from the main street but within easy reach of all of the amenities on offer.

The accommodation comprises a spacious entrance hall opening into a large main sitting room. There is also a useful rear boiler/boot room and a downstairs shower room. To the rear is a beautifully extended 'living' kitchen, with direct garden access via bi-folding doors. The kitchen is fitted in a modern shaker-style with quartz work surfaces and a range of built-in appliances. Upstairs are three bedrooms (two good double-sized) and a family shower room. There is also plentiful storage throughout.

The Outside

Outside, the house is set back from a private and peaceful street behind a single garage and a generous, landscaped private driveway.

To the rear are generous and private landscaped gardens laid to central lawns with well-stocked mature herbaceous borders. There is a patio terrace laid to Indian Sandstone to the immediate rear of the main house, a substantial timber shed, and a newly erected garden room to the rear of the grounds.

The Location

The village boasts a close-knit community and a wide array of amenities, including a Co-Op, doctor's surgery, dental practice, chemist, veterinary clinic, leisure centre, and library. There are also several independent shops, coffee shops, pubs, and eateries. Access to Loughborough and Nottingham is easy via car or a regular bus service.
