A well-positioned three-bedroom semi-detached property located in central West Bridgford.

This property in particular is a complete blank canvas and requires extensive modernisation. It would greatly appeal to property developers or buy-to-let landlords, with scope to create an ideal opportunity for first-time buyers, those wanting to downsize, or as a buy-to-let investment.

The ground floor consists of a hallway upon entry that leads into the two main reception rooms, a ground-floor cupboard and stairs to the first floor. The front living room features a large bay window to the front aspect, flooding the room with natural light. The dining room is a further ample space which grants access to the kitchen to the rear aspect and, in turn, a back door leading to the rear garden. The ground floor is completed with plenty of storage space.

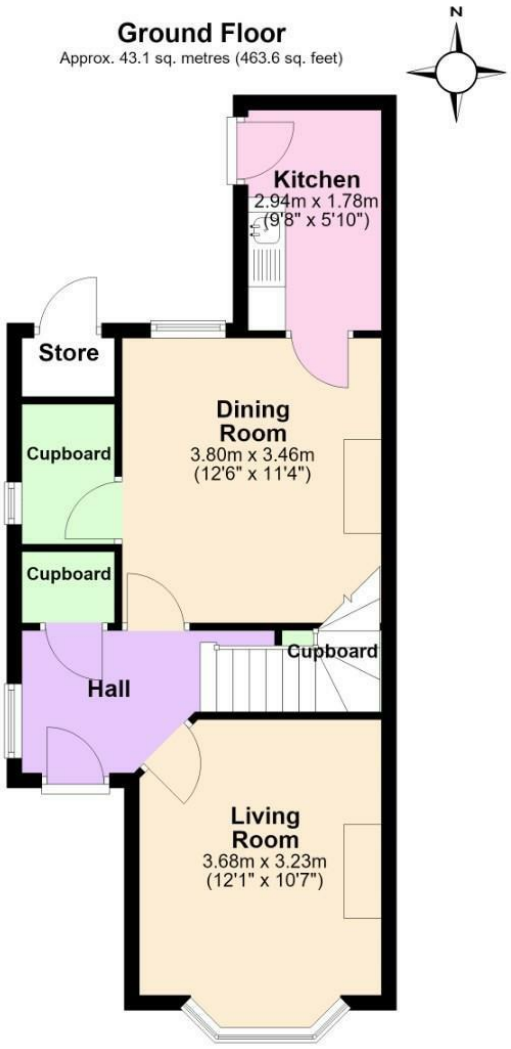

The first floor comprises three well-proportioned double bedrooms, which all share a three-piece bathroom suite consisting of a bath with a shower overhead, along with a wash basin and WC.

To the front of the property, there is a courtyard area leading to the front door.

The rear presents a low-maintenance paved garden with the potential to extend the kitchen, subject to the necessary planning permission.
