Sat back from the road behind a substantial gated driveway this home offers super off-road parking for up to four cars. Mature trees provide a charming and private plot and a covered porch leads into a welcoming entrance hall with turning staircase. At the foot of the hallway sits the open-plan dining kitchen with a large central island providing a lovely focal point. Two windows overlook the rear garden whilst bi-folding doors open seamlessly on to the generous decking to the side garden providing elevated views over the mature gardens and the charming brook beyond. A utility room sits off the kitchen and offers super storage and worktop space. Back into the hallway and to its left sits a lovely sitting room with bay window that opens into a living room with stone fireplace and patio doors leading out to the rear garden. A WC provides access to the boiler cupboard whilst a storage cupboard sits on the half-landing. To the first floor the four bedrooms are all generous doubles, with bedroom two and three offering bay windows. The master bedroom is a really special space with four windows offering a triple aspect over the gardens- you are really sleeping in the tree tops when you go to bed in this room. A further element of luxury is offered from the en-suite comprising bath with shower over, WC and wash hand basin. The bathroom is the final room sitting off the large landing and comprises walk-in shower, WC and wash hand basin.

Externally the gardens are extensive and beautiful. Mature trees allow super privacy and a lovely green aspect. To the side the elevated deck overlooks an astro-turf lawn that leads down to the stream which sits behind a charming picket fence. The rear section of the garden is mainly lawned with two patios providing space to sit and relax and a barked children's play area. Access can be found round to the front of the house where the driveway provides super parking and is enclosed by mature hedging.
