Offered to the market in excellent condition, this impressive four bedroom townhouse forms part of Strata Homes' well regarded Seville design and was built circa 2023, giving the new owner the benefit of approximately seven years remaining on the NHBC warranty, offering genuine peace of mind from day one.

Stepping inside you notice the generous proportions and large windows throughout that immediately set this home apart. Every room has been thoughtfully designed to make the most of natural light, creating an atmosphere that feels both spacious and serene, qualities that are rare to find in modern new build construction.

The standout feature on the ground floor is undoubtedly the farmhouse style kitchen diner, a genuinely sociable space with room for a substantial family dining table and French doors that open directly onto the private rear garden. Whether you're hosting Sunday lunch, keeping an eye on the children while you cook, or simply enjoying your morning coffee in the sunshine, this room will quickly become the hub of daily life.

Rising to the first floor, the principal reception room is a bright and beautifully proportioned lounge, equally suited to entertaining guests or settling in for a quiet evening. A double bedroom with its own en suite also sits on this floor, enjoying garden views and offering real flexibility; use it as a guest suite, a teenager's retreat, or indeed as an alternative principal bedroom should you prefer your private space away from the upper floor.

The second floor is home to the generous principal bedroom suite, a calm, light filled space ideal for starting and ending the day in comfort. Two further bedrooms on this level provide excellent flexibility; whether you need additional family bedrooms, a dedicated home office, or a playground, the layout adapts effortlessly as life evolves. A family bathroom serves this floor, the main bathroom of the three in total, a genuine practical advantage for busy households.

An integral garage provides secure parking and additional storage, while the private rear garden offers a safe and easily maintained outdoor space for families.
