Forming part of a delightful and well established cul-de-sac development of predominantly bungalows, this is a bungalow constructed during the 1980s by Tallishire of Beverley.

The styling of the bungalow is ever popular by virtue of its layout which tends to satisfy the requirements of most purchasers. The living space is generous and includes three bedrooms, or two, if a formal dining space is required, along with what is an exceptionally spacious lounge with this property offering three aspects on to the cul-de-sac, dedicated breakfast kitchen and house bathroom plus separate cloakroom/WC. **It has been beautifully maintained!**

The bungalow enjoys an extensive frontage onto Briar Garth, this being predominantly lawned and mainly makes this bungalow distinctive. **This type of bungalow offers huge scope to develop into whatever the buyer requires!**

DRIFFIELD

Drifffield remains a market town, notwithstanding the closure of the livestock market in 2001. The central shopping area includes a weekly stalled market, with shops providing a wide range of goods and services for everyday needs supplemented by retailers such as B&M, Iceland, Boyes, Peacocks, Yorkshire Trading, Tesco and Lidl. Many local shops provide a personal service, in addition to a wide range of goods.

Other amenities include a modern Sports Centre with swimming pool, cricket, tennis, bowls, football and rugby teams, dancing, gyms etc. together with many clubs and associations. Road and rail links to the neighbouring coastal market towns, including Beverley, Hull and beyond.
