Situation and Amenities

Weston is situated approximately 10 miles north of Newark. The village has an interesting mix of period properties comprising houses and cottages on either side. The church is a focal point in the genuinely unspoilt village. We have also been informed by the vendor that there is an excellent chinese restaurant. There are excellent primary and secondary schools at Sutton on Trent and Tuxford respectively. The medical centre at Sutton on Trent and good local facilities there include a Co-operative store, a butchers, library and hairdressers. The A1 provides good road access to the north and south of the country and fast trains from Newark North Gate to London Kings Cross are capable of journey times of just over 80 minutes.
