A thoughtfully designed pair of new homes, The Buttercross (Plot 2) and The Crossways (Plot 3) form part of a small, bespoke cul-de-sac development within easy reach of Swaffham's town centre. Offering the advantages of a brand-new build - modern efficiency, low maintenance and up-to-date specification, these homes are set apart by the intimacy of their setting, avoiding the scale and uniformity often found in larger developments.

The accommodation extends to approximately 1,346 sq ft, with a clear emphasis on functionality and comfort. The kitchen and dining space acts as a natural hub of the home, with separate utility room helps keep the main living areas uncluttered. A sitting room provides a more relaxed setting to unwind, and the inclusion of a cloakroom adds further convenience. Upstairs, four bedrooms offer flexibility for growing families, visiting guests or those working from home. Two of the bedrooms benefit from their own en-suite facilities, creating a sense of privacy and practicality, while the remaining rooms are served by a well-appointed family bathroom.

Externally, Off-road parking and an integral garage with electric door provide security and storage, and an enclosed rear garden. With air source heating, an EV car charger, and the reassurance of a 10-year Professional Consultants Certificate, these homes are well equipped for modern, efficient living.

The Buttercross and The Crossways present an excellent opportunity to acquire a newly built home in a carefully planned development, combining practicality, efficiency and great location.

Swaffham

AN HISTORIC MARKET TOWN
WITH A LINK TO EGYPT...

An historic and thriving market town, Swaffham is situated approximately 15 miles east of King's Lynn and approximately 30 miles from Norwich.

There is an extensive range of local amenities including a Waitrose, Tesco, Asda, further shops, pubs and restaurants, three doctors surgeries and primary, secondary and higher schools together with a variety of leisure and sports activities including an excellent golf club.

The town has an extremely popular Saturday market and many interesting historic buildings including the parish church and 'The Buttercross', which inspired the name Buttermere.

There's also a town museum which focuses on many different and impressive parts of local history. One key gallery is The Carter Centenary, a chance to learn about Howard Carter, famous for the 1922 discovery of the tomb of Tutankhamun - whose extended family lived in Swaffham.

The town offers a great hub for those who wish for a perfect family life. It has a series of schools for different ages, along with being relatively close to other schools including Greshams, Langley Hall and Beeston Hall School

It's also a good base to call home with local activities and entertainment including theatre, open gardens, nature reserves and more.

Swaffham is only around two hours by train to London, with great access to Cambridge and a short journey to Holt, Wells, Brancaster and Burnham Market - as well as the popular little seaside town of Sheringham. Norwich too is quick trip and provides an airport, offering direct flights to Amsterdam.
