Boasting Grade II listed status, the property showcases a wealth of period features, including ornate cornicing, original fireplaces, parquet flooring, sash windows and high ceilings throughout its c.2500 square feet of accommodation.

Located in the historic Cathedral City of Gloucester within close proximity to Gloucester Park, the town centre with its wide range of shops and amenities and also within walking distance of Gloucester Quays & Docks with its impressive array of Outlet Shops and drinking and eating establishments

The spacious layout is thoughtfully arranged across multiple floors, comprising FIVE generous double bedrooms, TWO elegant reception rooms, TWO Bathrooms, Utility Room, CELLARS and a well-appointed 15'9 x 12'11 KITCHEN DINER which is perfect for entertaining or family gatherings.

Set on an extensive corner plot, the property benefits from a front garden with steps leading to a grand entrance to the house whilst to the side and rear are particularly generous SOUTHERLY FACING gardens that wrap around the home providing a sense of privacy and space rarely found in such a central location. Mature Trees and established planting create a tranquil setting with ample lawned area for children to play and secluded spots for outside dining or relaxation.

To the front is a DETACHED GARAGE (originally a two Story coach house/stable), which offers sizeable storage/off road parking however with some renovation could provide an opportunity for a separate property (subject to planning permission) contributing to the practicality of this beautiful period house.
