Mapps Estates are delighted to bring to the market this impressive and historical detached period home situated opposite St Peter & St Paul's church in the heart of Dymchurch village. Believed to date back to the 1800s and originally known as Laburnum Cottage, Willowdeck was once the home of the composer Sir Edward Elgar's great-grandparents, and in the past has served as a sweet shop and general store, Ellis's Tea Garden around the time of the First World War, and even an estate agent's shop! The property now presents as a spacious and modern four bedroom family home, boasting four reception rooms and a home office, a bespoke kitchen/breakfast room, a separate utility room, a master bedroom with dressing room and en suite shower room, three further bedrooms (two with en suite facilities), a family bathroom and a large attic room. The property also enjoys a large rear garden and ample off-road parking. An early viewing comes highly recommended to fully appreciate everything this unique family home has to offer.

Located conveniently within walking distance of Dymchurch's sandy beaches and high street. The village has a small selection of local shops and cafes together with a Tesco mini-store, primary school, doctors' surgery and Village Hall. Secondary schools are available in both New Romney and nearby Saltwood and both boys' and girls' grammar schools in Folkestone. The M20 Motorway, Channel Tunnel Terminal and Port of Dover are all easily accessed by car. High Speed Rail Services to London St Pancras are available from Folkestone West station (approximately 50 minutes' travelling time) and Ashford International (less than 40 minutes' travelling time).
