REF: SK7168

A two bedroom semi-detached house located on a corner plot and set within a cul-de-sac on the ever popular development of Little Oaks.

The property has a larger than average plot and we have been advised by the current vendors that the property previously had planning permission to extend, however this would have since lapsed. This plot also provides parking for a number of vehicles.

The accommodation in brief comprises; entrance porch, 15'10" x 12' living room with a feature fireplace and a staircase leading to the first floor landing, 12' kitchen comprising a range of base and wall units and a 9'3" x 9' sun room/conservatory on the ground floor. To the first floor there is a landing area with doors leading to a shower room and two double bedrooms. Outside, there is an enclosed rear garden with patios and raised beds whilst to the side is a gated area with a 10'9" garden shed/workshop with light and power. There is a hardstanding area providing parking for numerous vehicles.

The Little Oaks development is ideally placed and, for your convenience, close to the Asda Superstore and B&Q DIY store. For educational needs, Penryn Infant and Junior Schools, Penryn Academy and Falmouth University (Tremough Campus) are all within walking distance. The ancient borough town of Penryn offers a host of amenities including shops, cafes, galleries and public houses plus its own doctors surgery. For a more comprehensive range of amenities the neighbouring harbourside town of Falmouth is only a short drive away. The property is also conveniently situated for Penryn Station that links Falmouth Docks to the cathedral city of Truro and local bus routes.

As the vendors sole agents, we highly recommend an early appointment to view.
