An exceptional semi detached property situated in a very convenient, yet tucked away position in the heart of Great Bedwyn.

Description

The accommodation includes a smart Shaker style kitchen with wooden worktops and some integrated appliances. There is also a stylish downstairs cloakroom. The large open plan living and dining space has good natural light with French doors to the garden. Whilst open plan, the respective areas are still clearly defined by way of thoughtful furniture placement to create a very comfortable and useable space, further enhanced by a new storax 8 wood burner. This not only provides a further heat source, but creates a very cosy living space. The stairs rise to the first floor landing which has fitted shelving. There are two double rooms, both of which have eaves storage. The bathroom is nicely fitted in traditional white and includes a shower over the bath. Outside there is a lovely low maintenance style garden with a paved terrace, gravelled area, lavender hedging and shrub borders. There is also an allocated parking space within the owned driveway. A viewing is strongly advised to fully appreciate the overall qualities of this hidden gem.
