Blythe Valley

Description

Blythe Valley has been developed over the last 20 years to combine modern office buildings and residential housing set with a landscaped park area. It benefits from its own convenience store and coffee shop where as in nearby Cheswick Green one will find a doctors surgery, community centre, children's play area, village pub and central village green.

There is easy immediate access upon leaving the development via the A34 Stratford Road to the M42 motorway, and a short journey down it will bring you to the National Exhibition Centre and Birmingham International Airport and Railway Station.

The main shopping area for the property is on the A34 Stratford Road in Shirley, where there is an excellent array of shops, business premises, restaurants and hostelrys, or in central Solihull which has in recent years undergone re-development with the Touchwood Development, a modern and vibrant heart to the old town.

An ideal location therefore for this modern semi detached house which was constructed a few years ago and benefits from immediate parking to the fore and landscaped rear garden.
