With its enclosed garden, spacious garage and naturally light filled rooms, this is a home that feels inviting from the very first moment you arrive.

Approaching the property, the gated front garden creates a pleasant sense of privacy, with low maintenance astroturf adding a neat and attractive finish. As an end terrace, the home benefits from additional natural light throughout. Stepping inside through the compact entrance hallway, you are welcomed into an interior that feels both warm and functional, with neutral décor providing a versatile backdrop ready for personal touches.

The lounge is a particularly appealing space, bright and airy with laminate flooring underfoot and plenty of room for comfortable seating and everyday living. Sunlight filters through the windows, creating a calm and relaxed atmosphere that makes the room feel instantly homely. Whether enjoying quiet evenings in or entertaining visiting friends and family, the space adapts easily to modern life.

To the rear of the property, the kitchen combines practicality with character. The green kitchen units bring a touch of personality, beautifully complemented by white marble effect worktops and crisp white tiled splashbacks that brighten the room further. Fitted with an electric oven and hob, the kitchen also provides space for a washer dryer, slimline dishwasher and fridge freezer, ensuring the layout works well for busy day to day living. There is a pleasant connection to the garden beyond, adding to the overall sense of light and openness.

Upstairs, the property continues to impress with two thoughtfully proportioned bedrooms. The principal bedroom is a wonderfully spacious and tranquil retreat, offering ample room for a king size bed, wardrobes and additional furniture without feeling overcrowded. Two windows allow natural light to pour into the room throughout the day, while the neutral tones create a restful environment that feels calm and relaxing. The second bedroom is a versatile space that could comfortably accommodate a small double bed, while also lending itself perfectly as a nursery, dressing room or home office for those working remotely. Completing the first floor is the family bathroom, fitted with a clean three-piece white suite with shower over the bath.

Outside, the enclosed rear garden provides a lovely extension of the living space. Mainly laid to lawn with areas of paving and decking, it offers the perfect setting for summer barbecues, outdoor dining or simply enjoying a quiet morning coffee in the fresh air. The garden feels private and secure, making it ideal for children, pets or keen gardeners looking to add their own creative touches over time.

Adding further practicality is the generous garage, complete with an up and over door and valuable additional storage space, ideal for tools, bicycles or hobbies.
