48, The Glen

Sheffield, S10 3FN

Description

A larger than average ground floor apartment that offers over 1017 square feet of accommodation, is available with no onward chain and forms part of this desirable development. The Glen is such a great place to live, with residents enjoying exclusive use of the very generous, communal grounds that extend to approximately three acres. Number 48 occupies a prime position on the site, located to the rear, away from traffic noise and having a lovely view over the grounds from the west facing terrace and sitting room. The design of the apartment could be modified (as others have been) by combining the kitchen and dining room together if required. The bedrooms have a west facing aspect so their occupants aren't woken too early in the morning. Although requiring a degree of modernisation there is double glazing and gas central heating to ensure a cosy and cost effective home with an excellent C rating on the EPC. Visitors to The Glen are encouraged to use the parking bays at the front of the property with residents enjoying use of communal parking to the rear. Number 48 also comes equipped with a single garage that provides storage solutions to the owner and the chance to securely park if preferred. This really could be a fabulous apartment that will appeal to a broad range of buyer and will be particularly attractive to those who are looking to future proof their lives.

- Gas central heating and UPVC double glazing combine to provide an excellent EPC rating of C72.
- Two double bedrooms, both with built in wardrobes.
